Marketing Information	The sleek new Executive Series Monitor Arm from DoubleSight Displays are an excellent way to mount Single or Dual Monitors on your desk top. Articulating mounting arms offer a full range of motion including Height, Tilt, Pivot and Swivel adjustments for a truly custom view. In addition to height, users can also move monitors forward or backward, as well as, rotating the monitor and arm up to 180° on the axis. Easy to assemble, each arm features VESA mounting brackets to guarantee compatibility with LCD monitors.
